MEMORANDUM FOR: Chief, [REDACTED]
ATTENTION : Mr. [REDACTED] 25X1A9a
SUBJECT : Transmittal of Report

1. In accordance with your request, we prepared the attached paper entitled Ponser Nazis Live Well In East Germany. In view of the lack of newsworthy information on this subject, we were unable to prepare the kind of background paper which would lend itself to distribution to all stations.

2. We are now working on a paper on the state control of academic life in East Germany. This will be a more extensive background paper which can be reproduced for distribution to all CS stations. The paper should be in your hands some time next week.
